House 3409 Saint-Cyprien

Ideally located just steps from the beach and local amenities, this elegant three-sided house features traditional Catalan architecture and has been thoughtfully designed. Built on a 176 m² plot and raised by one floor, it includes an entrance hall, a living room with lounge area, and a fully equipped open-plan kitchen, as well as a shower room with toilet. Upstairs, the landing leads to 4 bedrooms, 3 of which have fitted wardrobes, and a large bedroom of about 17 m² with a beautiful corner balcony, a shower room, and a separate WC. Outside, there is space to park one vehicle, a dining area with a summer kitchen perfect for entertaining friends and family in privacy, plus landscaped gardens featuring Mediterranean plants. The house also has a spacious adjoining garage spanning over 20 m². Thanks to gas central heating, double-glazed PVC windows, and roller shutters, this home offers all the features to ensure year-round comfort. From your home, get an exclusive first look at this property with the 360° virtual tour.
