Terrain 3365 Saint-Cyprien

Ideally located just steps away from all amenities (schools of all levels, shops, administrative services...), a serviced and buildable corner plot of 325 m² in the 1 AUa zone of the local urban plan. The authorized floor area for the plot is 260 m², with the building height limited to 7 meters (ground floor + 1 floor). Flat roofs, renewable energy installations, and swimming pools are permitted. The construction and landscaping must comply with the subdivision regulations, available upon request. **FREE CHOICE OF BUILDER** Additional fees to be expected: - individual lot plan by a surveyor for €550 excl. tax, - coordinator architect fees amounting to €500 excl. tax, - joint deposit for road damage coverage of €1,000, - deposit for fence compliance of €1,500.
